- 801 ***white blend*** - malvasia, verdicchio, grechetto, trebbiano 50
italy lazio “coenobium” **monastero suore cistercensi** 2012

*famous natural winemaker Giampiero Bea made the acquaintance of the Sisters of the Cistercian order living and working at their monastery in Vitorchiano, just north of Rome in the Lazio district. Here at this quiet convent, eighty nuns of this religious order work vineyards and orchards and gardens organically. Under the guidance of Bea, they produce two wines as honest and sympathetic and gracious as they are. Its intrigue comes from the volcanic soils in the vineyards and the longer than usual contact that the fermenting juice has with the skins ...
this being a vinification technique encouraged by Bea.

usa ca mendocino county “testa vineyard” **horse & plow** 2012

*Since 2008 the husband and wife team behind Horse & Plow has merge the best of old and new world techniques and produce authentic, hand-crafted wines from organic grapes and organic farming, small lot fermentations and traditional techniques to make balanced, food friendly and site specific wines. Work exclusively with growers who are committed to superior quality by using organic and/ or biodynamic techniques. These sustainable practices allow us to craft wines with greater complexity and sense of place, while caring for worker health and the environment. Organic doesn't stop when the grapes get to the winery the wines are made naturally with no synthetic nutrients or additives; no GMO's, are vegan and contain low sulfites.

usa or ribbon ridge “le pre du col vineyard” **bergström** 2011

Established in 1999, Bergström Wines is family owned and operated. Bergström Wines consists of five estate vineyards totaling 84 acres that span across four of the Willamette Valley's best appellations:

The Bergström Vineyard, de Lancellotti Vineyard, The winery Block, Gregory Ranch and our most recent addition, Le Pré du Col. Le Pré du Col (in French, “the meadow in the mountain”) is a 16 acre bio-dynamically farmed vineyard in the Ribbon Ridge AVA. This region is perhaps Oregon's most sought after AVA because of its small size and the quality of the grapes being grown here; not to mention the complexity of the wines that are produced as a result.

italy tuscanly bolgheri “jassarte” **guado al melo** 2006

Guado al Melo is located in the area of Bolgheri (DOC) near the coast in the region of Tuscany. Michele Scienza follows principles of sustainable & natural agriculture, his wines are made with respect for traditions. Avoiding the additives & manipulations that can harm the natural qualities of the grapes. Jassarte symbolized the encounter of 2 coulter & also the blends of their vines into 1 wine. After 4 years of aging, 2 in barrel & 2 in bottle, the 30 grapes are blended together to achieve a rare wine.
