Farm to Table, Digitally

Lockwood
Photo: Steven Johnson

Looking for more green-friendly things to do before [Earth Day](#)? [Lockwood](#) at the [Palmer House Hilton](#) is hosting a “digital” tasting on April 21. Raising money for [Veggie U](#), a nonprofit organization of the Culinary Vegetable Institute and [The Chef's Garden](#), the event offers a bounty of food as well as a candid look at how sustainable agriculture is produced. Over the course of the evening guests will digitally cross three states and three hundred miles, video conferencing directly with farmer Lee Jones, who will explain how the evening's menu got from The Chef's Garden greenhouse in Huron, OH, to the Lockwood tables (6–9 PM; \$95 per person; 312-917-3404).
